

## Linda Burnasakorn Benefit

### Prize Drawing Terms and Conditions

1. These Terms and Conditions apply to the Prize Drawing to benefit Linda Burnasakorn. The benefit, and opportunity for entry into the Prize Drawing will be held for a limited period beginning on **04/29/10** and ending on **05/22/10**. Cocoa Daisy will conduct the prize drawing. Cocoa Daisy reserves the right to amend these terms and conditions at any time.
2. Making a donation and your subsequent entry into the Prize Drawing is deemed acceptance of these Terms and Conditions. Individuals may notify Cocoa Daisy by email ([mailbox@cocoadaisy.com](mailto:mailbox@cocoadaisy.com)) to opt out of the Prize Drawing.
3. Participants will receive one entry for each \$10 donation and an extra entry for each increment of \$50 donated. Every entry counts equally, so the odds of winning increase in proportion to the amount of donations.
4. Donations made in multiple increments can not be aggregated (e.g., an individual making a \$30 donation one day, and a \$20 donation on a later date will not receive an extra entry).
5. Prize winners will be selected in a random drawing conducted by Cocoa Daisy. The random selection will be final. Winners will be announced on May 26, 2010.
6. The prizes are not redeemable for cash or transferable.
7. Cocoa Daisy staff and members of their immediate families are not eligible to participate in the Prize Drawing. The term "immediate families" include spouses, Grandparents, Parents, Children, and Grandchildren whether by marriage, past marriages, remarriage, adoption, co-habitation or other family extension.
8. To the extent permitted by law the Cocoa Daisy will not be liable for any loss or damage whatsoever (including but not limited to direct or consequential loss) or for personal injury as a result of the prizes.
9. By participating, all winners grant Cocoa Daisy permission to use their names in announcements of Prize Drawing winners and promotions for sponsors.
10. Winners must coordinate delivery of prizes with the sponsoring entity.
